

Back in 1985, the National Sheriff's Association, the International Chiefs of Police Association and the AARP agreed to work together to reduce the victimization of the elderly.

This formed the first TRIAD chapter.

Over 400 local TRIAD chapters have sprung up nationwide.

During February 1996 the Douglas County TRIAD was formed, working toward the one goal of enhancing quality of life for our Senior Citizens.

This was accomplished by sponsoring various programs and providing educational seminars.

## **The Guardian System Program**

A computerized telephone system designed to stay in touch with subscribers on a daily basis.

## **The File of Life**

A refrigerator magnet that contains your medical history, in the event you are unable to tell the Paramedics yourself.

## **Senior Law Enforcement Academy**

Held once a year for 12-14 weeks. Designed to educate our seniors in the various areas of the Douglas County Sheriff's Dept. and the Services they Provide.
